leaves, and sent forth their brilliant flames of green, blue and yellow time; mingling with and modifying the great red tongues of fire which flashed upward from a thou sand burning houses. The hill sides were lighted as if the sun was above the Eastern mountpine, and their trees, shrubs, herbage and houses were as distinguishable in lay down in impenetrable gloom over the Bay. People became paralyzed. Many will be the most important election held since taken and destroyed by the flames at last, ter of a century to come: The streets were crammed with masses of human beings and rushing teams, only givpushed them back. Men became mad; some stitutions. rushed headlong into the flames. Weeping Let the People therefore turn out en-man women and pratifing infancy were wander-ing amid ashes and destruction. Every few moments the earth and air trumbled, as great buildings were torn into fragments by explosions of gunpowder, and the atmos-phere was filled with shattered timbers, brick and moriar. The multitude hung up-on the borders of this "vast sen of flame;" few comparatively knew, or could know what were the dangers and exertions of those who were within the range of the stifling smoke and scorching flame. In less than nine hours from the beginning, more than twenty squeres existed only in memory and in the ascending columns of smoke and flame which cover the city's site.

But the suddest sight of all was the de struction of brave, but bewildered men, who, finding themselves suddenly surrounded with fire, rushed, staggered and uncertain from flame to flame, in hopeless efforts to escape, until strangled and scorched they writher and fell in full view of hundreds, who were completely powerless to save them. Others after bauling inside of what they had considered fire proofs, finding their efforts to save the buildings vain, endeavored to escape but too late. The doors and window blinds were red hot, and could not be opened in some instances, and their last chance of safety failed them. We cannot express our sensations of yesterday, while looking upon the blackened remains of poor humanity. as they still lay, burned to coals, amid the fire which filled the cellar of a building on Montgomery street, still boyond the reach of all who gazed upon them. May we nev-

A GREAT INVENTION .- Joel W. Andrews, of this borough, has in operation at Bridgeport, opposite this place, a kiln for burning bricks exclusively with anthracite coal. It is said to answer the purpose admirably. burning the bricks in about half the time required when wood is used, and at about half the cost for fuel. As in this section of very complimentary and gratifying terms the country wood is each year becoming more scarce, we regard this as a great imout that he would have "liberty or death."

Ineffectual attempts were made to force him to take sustenance, and he at length perished from starvation.

Kingum:—I return you my sincere thanks for this demonstration of your kindness, and most especially for the gratifying sentiments expressed on your behalf by my friend, (Gen. Goddard,) whom you have defered at a period of public tranquility, and before the feelings and passions of the public had been excited and roused by the activation of the In passing through your city on my way question of the annexation of Texas, and erable interest. WHIG PRIMARY ELECTIONS To the Whige of Meigs County:

At the last Convention of the Whige of Meigs county a change was made in the manner of selecting candidates-substitung Primary Elections for Delegate Conventions. By the rules adopted by the Convention for the holding such elections is made the duty of the Central Commitee to give notice of the time, &c. For the better understanding of the matter we annex the rules-which are as follows:

1. Each township to compose an Election District.

2. The Primary Elections to be held on the first Saturday in September. 3 .Two persons two act as judges and one

4. Elections to open at one and close a

5. The votes counted and the result sent o the Central Committee by the next Tuesday-the returns to be published in the news-

6. The person having the highest numer of votes to be the nominee.

7. In case of a tie, the candidates will decide by lot, as practiced in the Senste of the

2. No person shall be considered a candidate unless his name has been announced four weeks previous to the Primary Elecion; in the newspaper.

The above, in brief, are the rules adopted by the Convention. We therefore give notice that the Primary Elections will be held

SATURDAY, SEPTEMBER 6, 1851. under the above regulations. The returns of said election to be sealed up and directed to the Whig Central Committee. The committee would suggest that these returning the noll books attend on Monday, September Sth. at 10 o'clock, in order that we may have a meeting of the different townships, by their delegates. for general consultation. and business.

CANDIDATES will observe, that under the rule, their names should be announced by the FIRST WEEK in August, at the farthest JOHN CARTWRIGHT.

PREED to MARGARET BRADSHAW, -- all of Meier DIED .- On Tuesday the 15th inst. James E

RALFR, of this place, aged about 26 years.

ar Consumption is a disease which is carrying its victims to the tombs by thousands, without being arrested in its progress by the medicines in common use at the present time. But a brighter day is coming, and has come-as to successfully arrest this disease. DR. ROGERS' LIVERWORT citizen of Milford, Hamilton county, in this AND TAR, not only gives immediate relief in State, hung himself on Monday last. The Coughs and Colds, but from the testimony of mea cause is said to be the fanation conduct of of the highest standing here and elsewhere, it is maxism in the back, shoulders, and hips, and his wife, who had been an Abolition Lee- making some very remarkable cures of Consumption. Improvements in the treatment of disease are onward, and nothing can arrest its spirit in the present age. Those who are afflicted with diseased Lungs, would do well to call on the The Democrats of the various townships Agents and see the certificates of Dr. Wm. J. Richards, Judge Wip, Burke, the wife of the tice that a convention of Delegates will be Rev. Geo. W. Maley, and of Dr. Hiram Cox, late Professor in the Eclectic Medical College in Cin-

For sale in Pomeroy by J. P. PLEMING and D. Bred, Agents for Meigs county, 137w2. ar Da, Guysott's Improved Extract or Yelow Dock and Sarsaparitta is a sure remedy for

Hereditary Taint. Thousands of individuals are oursed with griev. ous complaints, which they inherit from their parents. The use of the Yellow Dock and Same darilla will save all this, and save a vast amount of misery, and many valuable lives, for it theroughly expels from the system the latent taint. which is the seed of disease, and so takes off the curse by which the sins or misfortunes of the pa-

rents are go often visite! upon the innocent off spring.
Parents owe it to their children to guard then S. P. CUTLER.
